The approval of the Government in their Order No 8779-80 dated 23-8-56 for the redistribution of wards into 32 divisions was received in this office on 25-8-56 The Electoral rolls of these revised wards have to be published in the wards concerned before 31-8-1956 as per rule 2 of the Election rules relating to a City Municipal Council (two months prior to the expiry of the term of the existing body) I have therefore arranged to have clean manuscript copies of the revised election roll published in each of the divisions and the Municipal office in a prominent place and give wide publicity to the fact by beat of tom tom so that all interested may be enabled to prefer their claims and objections I am taking this step as there is no time at all to print these rolls so as to be ready for publication even by 31-8-1956 By this the requirement of rule 2 of Election rules would have been satisfied

Copies of these will however be got printed locally as expeditiously as possible After the settlement of objections the necessary amendments to the original roll will also be got printed and attached to the rolls which will be acted upon In this connection I invite your kind reference to Government letter No L 8134 dated 9-8-56 wherein it was stated that it was

Dear Sir,

Sub:- Printing of election rolls in kannada and telugu - keeping in abeyance for two weeks Orders- requested.

Ref:- Govt. letter R.c. L/9623/56 dated 11-9-56.

With reference to your letter cited above, I write to state that the claims and objections havebeen received on the publication of preliminary rolls published on 30-8-56. The last date for receipt of the same was over by 12-9-56 and the same are being heard and disposed off as per rules contemplated order rule58 & 9 of rules relating to the city Municipal council.As the Returning Officer now has to go to the stage of publishing the final electoral rolls together with its amendments based on the claims and objections above referred to on the tenth day ie. on 21-9-56 as per rule 11 (i) of the election rules. It is also stated in sub-rule (3) of rules 11 (i) that such number of copies of final electoral roll as published by the Returning Officer as deemed to be sufficient shall be kept by him for sale.

In view of the above facts, I may be permitted to state that I am in a fix as to how the final rolls could be published especially in the light of your letter R.c. No. L. 9623/56 dated 11-9-56 that I should wait for two weeks for orders of Govt. before placing orders for printing of electoral rolls which is a voluminous work since it has to cover about 40,000 names.

The only alternative left for me now, in view of your instructions is to publish even the final rolls comprising preliminary rolls and amendments lists in the manscript copies only on 21-9-56 also as otherwise I would be violating the conditions laid down in rule 11 (i) of the election rules and as such I am taking action accordingly.

The filing of nomination of candidature will have to take place as per Election rules by 8-10-56 and as such it will be quite but natural that there will be pressing demand for the printed election rolls immediately. In view of these the important factor to be considered is about the difficulty in getting them printed with in the short time at disposal. There are only a few efficient presses to print them quickly. Unless urgent arrangements are made for the preliminary rolls and amendment lists consisting of 40,000 names which will take at least 15 days, it will be impossible to comply with the demand from the public. Hence I request you kindly to issue definite instructions in the matter of printing the rolls.

Awaiting favour of immediate orders by return of post.

Sub - Municipal Elections - Printing of Election Rolls - Orders Requested

Ref:- Letter No L 9623 dated 11-9-1956

With reference to your letter referred to above I write to state that the period of two weeks, for which the printing of Election Rolls was deferred to, has expired As already reported in my letter dated 13-9-1956 the Final Election Rolls were already published on the due date i e , 21-9-1956 in manuscript copies I have also published the Notification regarding the Calendar of events ~~in compliance with~~ as contemplated under the Election Rules under intimation to Government in this Office Rc C-2/1232/56 dated 14-9-56, a copy of which is enclosed for ready reference According ~~thm~~ to the above Notification the filing of Nomination of candidature comes up on 8-10-1956 The public are already pressing for the supply of Election Rolls

I have made enquiries regarding Printing of Election Rolls and I am told that atleast a fortnight is required for Printing the Election Rolls consisting of 40,000 names As the period of two weeks for which I was asked to wait for Orders of Government in the reference quoted above in respect of taking up of Printing work, has expired, I am in a predicament as to how I should proceed further in the matter I have therefore given a prepaid Express Telegram for orders of Government to-day, a copy of which is furnished below for ready reference

P t o

In view of the facts stated above I request that Orders for printing of the Election Rolls, or otherwise may kindly be communicated for taking further action in the matter at an early date treating this on top Priority basis

With regards,

Yours sincerely,
